Dear Mr. Duffey,

I have included the check that you mailed to our agency with this letter. The check needs to be made out to Adams County Children Services as per our discussion. The bears have been forwarded on and if you would like, please send our agency some of the bears to pass out to children who come into our agency. The address for Adams County Children Services is 300 North Wilson Drive, West Union, Ohio 45693.

Sincerely,

Brenda Calvert, Fiscal Officer
