Dear Friends:

As we head into this new year, we look back with gratitude to those who donated in 2006 to the Children Services Board Trustees Fund. With your help, it was possible to make the holidays a little brighter for the children in foster care. As you may know, your donation is not only used at Christmas but throughout the year to help meet the needs of our foster children.

We know that charitable giving must be limited and greatly appreciate your choosing to remember our agency and children in this way.

Again, the board, staff and I wish you a very happy, healthy and prosperous 2007.

Sincerely,

Dianne A. Solembrino, MSSA, LISW
Executive Director
