RE: Donation

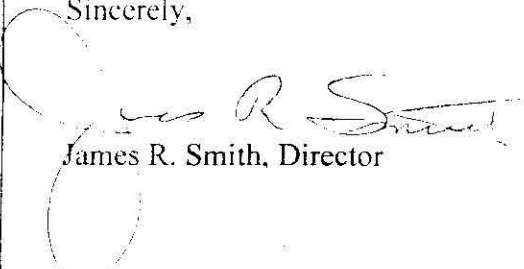

Dear Chief Hitzel:

We just received the "Teddy Bears" and generous donation from your organization. We will put both to good use. Your dollars will more than likely go toward the updating of our family visit/interview room to keep it equipped and decorated so children will feel comfortable and relaxed. The 'Teddy Bears' will be a big hit especially to those children who come to us with little else to 'hang onto'.

On behalf of our staff, families and children, thank you for your show of caring.

Sincerely,

  
James R. Smith, Director
